

# get active! and experience anti-ageing for men

## Skin Activator

The power of skin activator's multi-active antioxidant complex helps restore skin tone, firmness and elasticity. Assists to reduce the appearance of skin redness and broken capillaries.

## Hydro Balance

A balanced daily moisturiser that instantly improves the feel and appearance of neglected skin. Vital ingredients retain moisture that is lost from the skin surface during shaving, preventing discomfort and skin irritation. The result is improved skin texture and maximum skin health.

## Lip Care

This lightly textured lip therapy is formulated to condition, nourish and protect the lip area against exposure and environmental elements.
